

18TH ANNUAL COMPUTERS IN LIBRARIES 2003

Portfolio Service

The Computers in Libraries (CIL) Portfolio Service offers organizations a unique opportunity to place promotional messages in the registration packets of full registrants at the CIL Annual Meeting, March 12-14, 2003, in Washington, D.C. This exciting service ensures you broad exposure for your product or service brochures, fliers, samples, or other promotional items at minimum expense. Exhibitors can double the impact of their messages with the Portfolio Service, while non exhibitors can make themselves visible to the CIL buying audience.

Each insertion for the CIL Portfolio Service must be one piece and cannot weigh more than 1 ounce. All insertions must be approved before being considered for inclusion.

To participate in the CIL Portfolio Service, complete and return this form with a sample of the insertion and a check made payable to Information Today, Inc. We'll notify you as soon as possible if your insertion is accepted and ask you to send **2,500 copies of the insertion to the following address:**

**Michael Zarrello
